

INSTRUCTIONS FOR INTEGRATING BLUEORANGE E-COMMERCE GATEWAY WITH OPENCART

www.bluorbank.lv

STEP-BY-STEP INSTRUCTION

Compatible with Opencart versions: 3.0.0.0 – 3.0.3.2

1. Download the plugin zip file from https://gateway.blueorangebank.com/ecommerce_modules/opencart-v3.0+.zip.
2. In the administrator panel of your store, go to **"Extensions"** -> **"Installer"**:

3. Press **"Upload"** and select the file you downloaded in Step 1. After that, the plugin will be installed:

4. Next, go to **"Extensions"** -> **"Extensions"**, and filter the extensions by type **"Payments"**:

5. In the list, find BlueOrange E-commerce Gateway , and press **“Install”**:

6. After installation, on the same place, press the **“Edit”** button (clicking this button, will open the plugin settings):

7. Enter **“Brand ID”** and **“Secret key”** values in plugin settings:

BlueOrange E-commerce Gateway Configuration

Enable API	<input checked="" type="checkbox"/> Enable API
Enable payment method selection	<input checked="" type="checkbox"/> Enable payment method selection <small>If set, buyers will be able to choose the desired payment method directly in OpenCart</small>
Change payment method description	<input type="text" value="BlueOrange E-commerce Gateway"/> <small>If not set, "BlueOrange E-commerce Gateway" will be used</small>
Change payment method title	<input type="text" value="Select payment method"/> <small>If not set, "Select payment method" will be used, ignored if payment method selection is disabled</small>
* Brand ID	<input type="text"/> <small>Please enter your brand ID</small>
* Secret key	<input type="text"/> <small>Please enter your secret key</small>
* Order payment success status	-- select an option -- <small>Will be set on the order upon customer getting to the payment success page</small>
* Order payment error status	-- select an option -- <small>Will be set on the order when payment attempt results in error</small>

You can use the **“Brand ID”** and **“Secret key”** from the Merchant's cabinet at <https://gateway.blueorangebank.com/>. After entering the values, do not forget to check the **“Enable API”** checkbox and save the settings page.
