

INSTRUCTIONS FOR INTEGRATING BLUOR E-COMMERCE GATEWAY WITH PRESTASHOP

www.bluorbank.lv

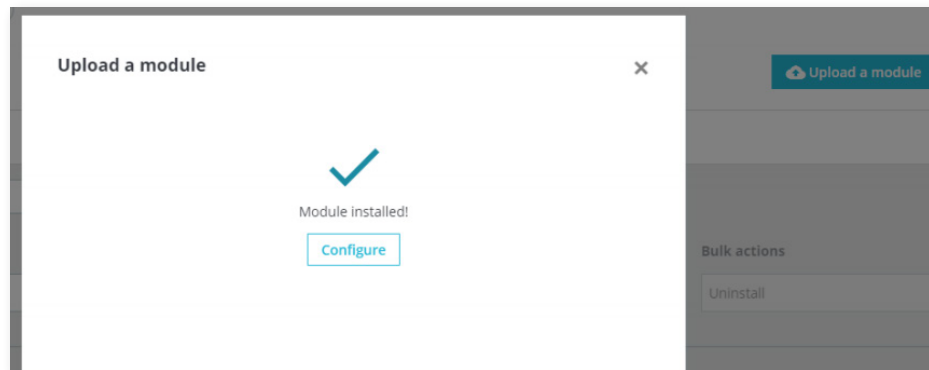

STEP-BY-STEP INSTRUCTION

Compatible with PrestaShop versions: 1.7.0.0–1.7.6.4

1. Download the BluOr E-commerce Gateway plugin from:
https://gateway.bluorbank.lv/ecommerce_modules/prestashop-v1.7+.zip.
2. Log in to your PrestaShop store's admin panel by specifying authentication credentials, and go to **"Modules"** -> **"Module Manager"** on the left menu:

3. Select **"Upload a module"**, and select the zip file you downloaded in Step 1. After that the plugin will be installed:

4. Press **"Configure"**.
Enter Brand ID and Secret key. You can use the **"Brand ID"** and **"Secret key"** from the Merchant's cabinet at <https://gateway.bluorbank.lv/>. Make sure you have selected **"YES"** for the **"Enable API"** setting. After all settings are done, press **"Save"** icon on the bottom right corner.

ADDITIONAL INFORMATION

If **"Enable payment method selection"** is set at plugin settings, the buyer during the checkout process will be able to select the payment method directly in the e-shop. If you want to change the text **"Select payment method"**, enter preferred text in the field **"Change payment method title"** at plugin settings:
