

# INSTRUCTIONS FOR INTEGRATING BLUEORANGE E-COMMERCE GATEWAY WITH PRESTASHOP

[www.bluorbank.lv](http://www.bluorbank.lv)

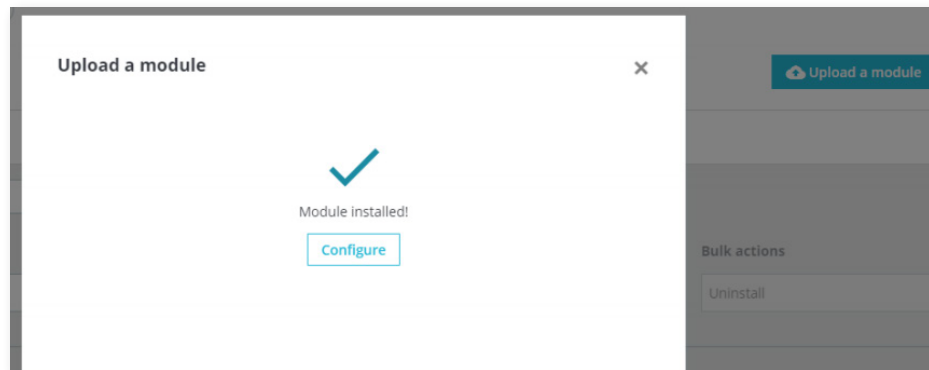

## STEP-BY-STEP INSTRUCTION

Compatible with PrestaShop versions: 1.7.0.0–1.7.6.4

1. Download the BlueOrange E-commerce Gateway plugin from:  
[https://gateway.blueorangebank.com/ecommerce\\_modules/prestashop-v1.7+.zip](https://gateway.blueorangebank.com/ecommerce_modules/prestashop-v1.7+.zip).
2. Log in to your PrestaShop store's admin panel by specifying authentication credentials, and go to **"Modules"** -> **"Module Manager"** on the left menu:

3. Select **"Upload a module"**, and select the zip file you downloaded in Step 1. After that the plugin will be installed:

4. Press **"Configure"**.  
Enter Brand ID and Secret key. You can use the **"Brand ID"** and **"Secret key"** from the Merchant's cabinet at <https://gateway.blueorangebank.com/>. Make sure you have selected **"YES"** for the **"Enable API"** setting. After all settings are done, press **"Save"** icon on the bottom right corner.

## ADDITIONAL INFORMATION

If **"Enable payment method selection"** is set at plugin settings, the buyer during the checkout process will be able to select the payment method directly in the e-shop. If you want to change the text **"Select payment method"**, enter preferred text in the field **"Change payment method title"** at plugin settings:

**4 PAYMENT**
